Byron
Rosa

I am Byron Darden and I feel that I am a nice person and is very easy to get along with. I am a very friendly person and like to make friends. There is not many at Forest Glen that are not my friends. Things that I like to do best is to mess around with girls. But lately I have stop because a very special person have come in my life. Her name is Rosa Capeland. I love Rosa Capeland very much and I will always love her. She have done alot for me but she just ~~don't~~ know ~~and~~ and I hope that I will be able someday to do just as much ~~for~~ ~~her~~ her. I also plans to carry Rosa to my first and last prom. Rosa and I have been through alot together and ~~we~~ are planning to continue our relationship. I think that Rosa is the most prettiest girl at Forest Glen High School. Byron Darden

FOREST GLEN
HIGH SCHOOL
200 FOREST GLEN DR.
SUFFOLK, VIRGINIA

We travel
along the road
of life hardly
knowing what we
are, yet daring to be
something; seldom say-
ing what we mean, but
never afraid to have mean-
ing; sometimes failing in our
endeavors, though never tempted
to cease trying; seeking satisfaction
at every level, yet never defining hap-
piness; often apologizing for our own ex-
istence, while realizing that life is its own
excuse. But the real joy of our otherwise in-
significant efforts is that we are never quite sat-
isfied to be on the left, or the right, or in the middle
of that road. We are always attempting to change the
directions.

Alan Ashley Pitt

AN ENGINEER of MINDS

The passengers are just passing through, the engineer is not. The engineer has to stay on the train to see that other passengers have a safe and satisfactory journey. The engineer is a lot like a teacher . . . dedicated, responsible, and well-versed. We, as students, are the passengers. We're just passing through Forest Glen. We'll leave tracks behind but the teachers will remain here to engineer future generations.

We honor just such an engineer with this yearbook. This individual is a teacher that not only teaches but also cares. This concern is often echoed on the back hall when a student steps out of line. This person is also a sponsor. A teacher who cares is certainly commendable, but one who spends time

supporting a class and an organization is classified as eminent.

She is an English teacher and is skilled at guiding underclassmen to a solid background in grammar.

She is a Junior class sponsor. Her smiling face is a fixture each year at the Junior-Senior Prom.

She is the Junior Beta Club sponsor and reigns supreme at all meetings of that club.

She was co-chairperson of the 1981 evaluation committee of Forest Glen. With the organizational efforts of she and Mrs. Sherard, the school passed the evaluation with flying colors.

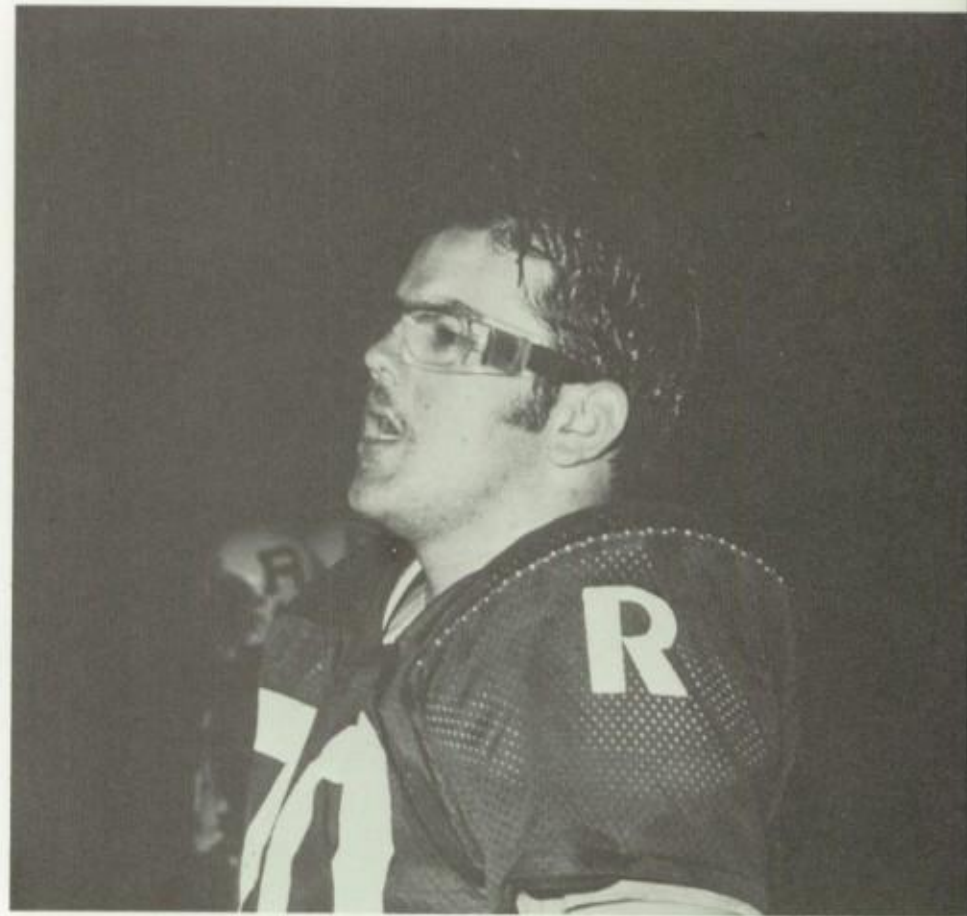

She's making tracks here at Forest Glen, therefore, we, the 1982 annual staff, proudly dedicate the 1982 For-
ester to Miss Marva Nizer.

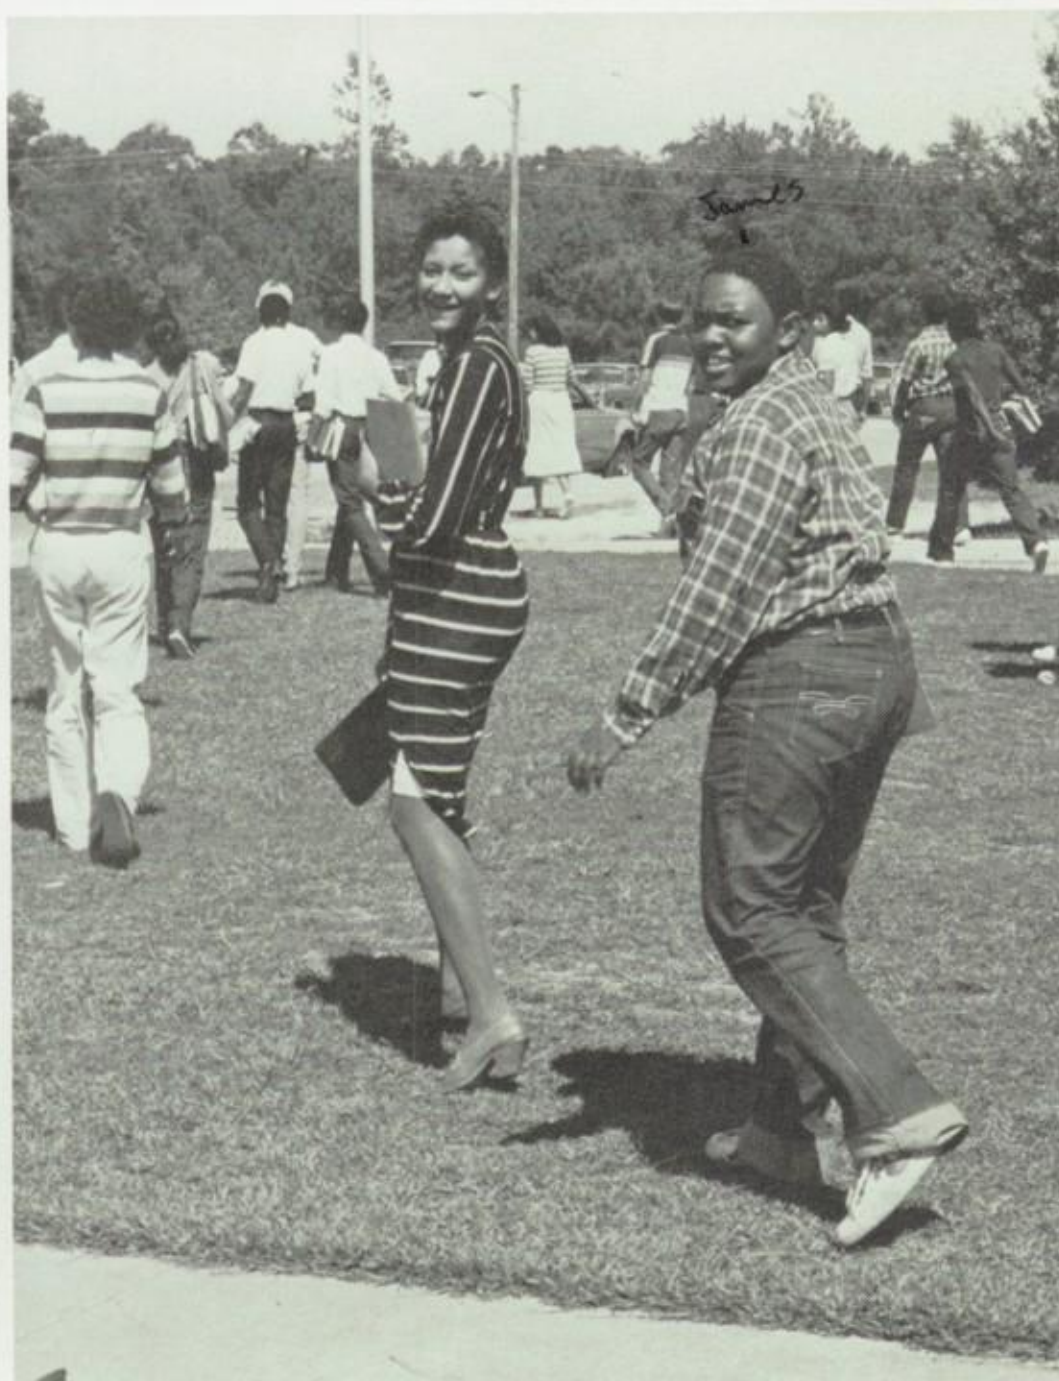

Miss Nizer shakes her head in disbelief. "They're supposed to be diagraming sentences!"

WITH A TRAINLOAD

Half of the joy of life
is in little things taken on the run.
Let us run if we must —
even sands do that —
but let us keep our hearts going
and our eyes open
that nothing worth our while
shall escape us.
And everything is worth our while
if we only grasp it
and it's significance.

OF MEMORIES

WE'RE JUST

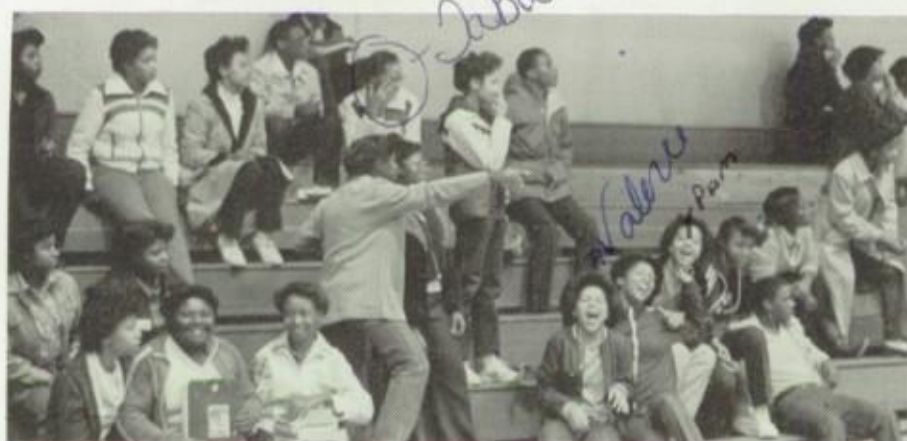

PASSING THRU

One life and one alone we have
to live upon this little earth.
One life in which to learn so much . . .
to seek and find and prove our worth.
So many dreams there are to dream . . .
so many things to know and do.
So many rosy peaks to climb . . .
so many pathways to pursue.

CLASS OF 1985

OFFICERS: Rosa Copeland, President; Charlene Duke, Vice-President; Dawn Lewis, Secretary; Donna Lewis, Treasurer

Mrs. Sherard calls role in her Freshman homeroom.

The Freshman Class arrived here at Forest Glenn full of anticipation. They've fit in very well and many have already assumed leadership roles while others excel in academics. They're looking forward to next year when they can play the experienced sophomores and help the "new kids" find the right track.

What are they looking so depressed about?

CLASS OF 1984

The class of 1984 is full of energetic and enthusiastic students. They're at the mid-point of their high school education and are very active in school activities. No longer are they the shy freshmen that they were a year ago. Many have excelled in leadership as well as in academics. They may be just passing through, but they're certainly leaving their mark behind them.

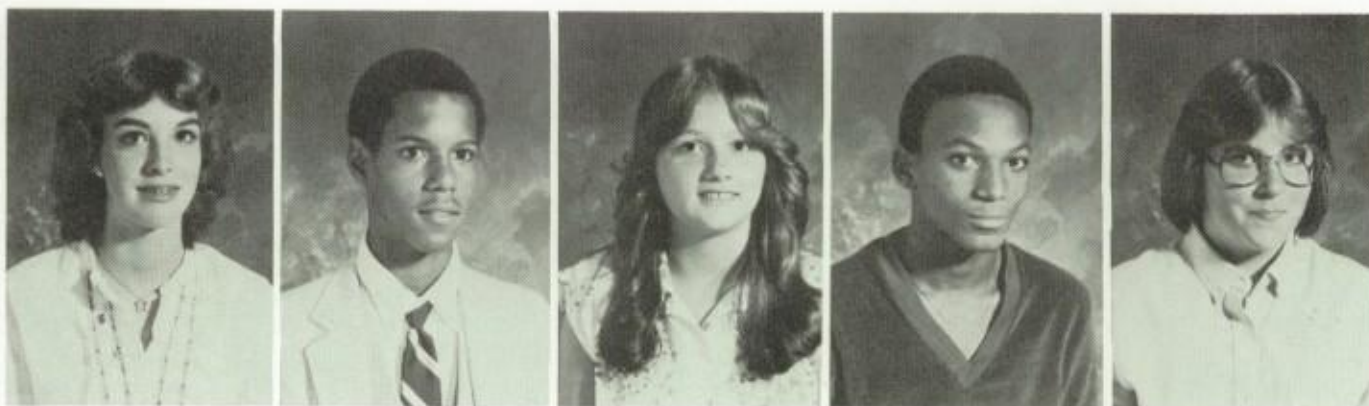

Norris seems camera shy. That's him hiding behind Patricia, Michelle, and Lisa!

Wanda and Pam look totally enthused! They just got out of English.

CLASS OF 1983

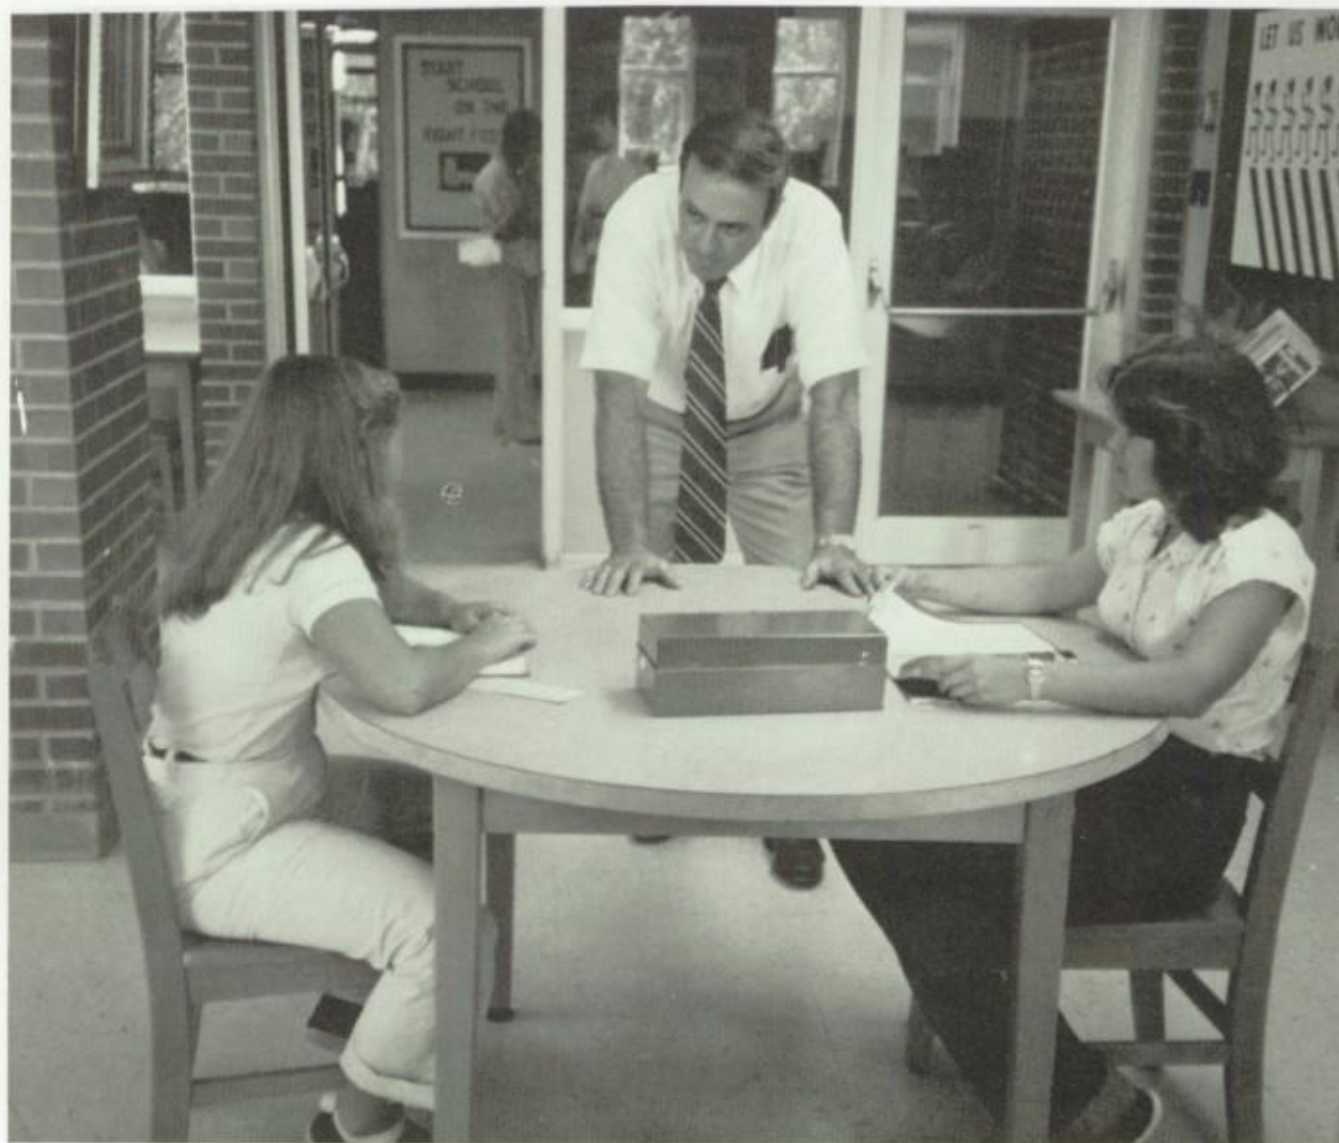

The Junior class is traditionally the most active class of the school. This year's juniors are no different. Their major project for the year is the Junior-Senior prom held in May. With the arrival of class rings, they look forward to the senior year and graduation.

They won't be hurried though. They plan to get all the enjoyment that they can out of the junior year!

Carlton long jumps for the Forest Glen track team.

Karen and Tammy seem to be asking Mr. Clarke for his library permit. He seems to be making an excuse!

The members of the class of 1983 reached their Junior year with high expectations. As a result of their courage, determination, involvement, and thought, these expectations were fulfilled many times over.

CLASS OF 1982

The Senior Class has finally reached their last year of high school. They are ready to get out in the world to apply what they've learned over the last twelve years. Many plan to obtain higher education at colleges or technical schools. Others will enter military service or go directly to work. They're leaving Forest Glen with a sense of satisfaction but more importantly... with a diploma!!!

Linda's being taken for a ride!

The Forest Glen Madrigals, under the direction of Mrs. Lenora Jones, perform a Christmas Concert, a spring concert and several other musical endeavors during the school year. This past year they sang at Homecoming and at the banquet for Forest Glen's Evaluation Committee in October. They were the target of much praise and encouragement following these performances. Twelve members of the group were chosen to represent our school in the Regional Chorus held in February. These students enjoy doing their thing and we enjoy hearing them do it.

FROM CAMP TO COVER

The individuals shown on this page are responsible for this book . . . from camp to cover. Eight of the staffers attended yearbook camp at Longwood College. They came back tired but full of ideas for the 1982 Forester. They obviously worked hard at camp but five of them maintain that Longwood had fun elevators.

When classes resumed in August, so did work on the yearbook. With deadlines to meet, many afternoons were spent in Room 1 working on pages. Each member of the staff was responsible for the sale of ads in a given area. Karen Outland outdid the rest. She sold the most ads and won a yearbook for her efforts.

Without a doubt, much work went into this year's annual. With a sponsor like Mrs. Georgie Copeland and a staff this dedicated, this book just can't miss!

The Beta and Junior Beta Clubs are non-profit, leadership service clubs. The purpose of each club is to encourage effort and reward academic merit. This year marks the 20th anniversary of the National Junior Beta Club.

The Junior Beta Club is sponsored by Miss M.J. Nizer. The club's activities include the observance of American Education Week and various projects to raise money to purchase needed items for the school. The club co-sponsors a Christmas dance with the S.C.A.

The Beta Club sponsored a Christmas door-decorating contest and each spring we send representatives to the state-wide convention. Beta sponsors are Mrs. Gaskins and Mrs. Harris.

The highlights of the AIASA chapter during the year provided much new knowledge and a lot of fun to all of the members. In the summer, a leadership workshop was provided for the new officers. The chapter participated in the National Industrial Arts Educational Week in November and also in the Virginia State Fair in Richmond. Some members of our chapter hold regional and state offices and participate in the regional association and the executive council. They have a fund-raising project and a community service project each year.

In addition to the chapter officers, in-class officers are used to carry information to their fellow AIASA members in the Industrial Arts classes.

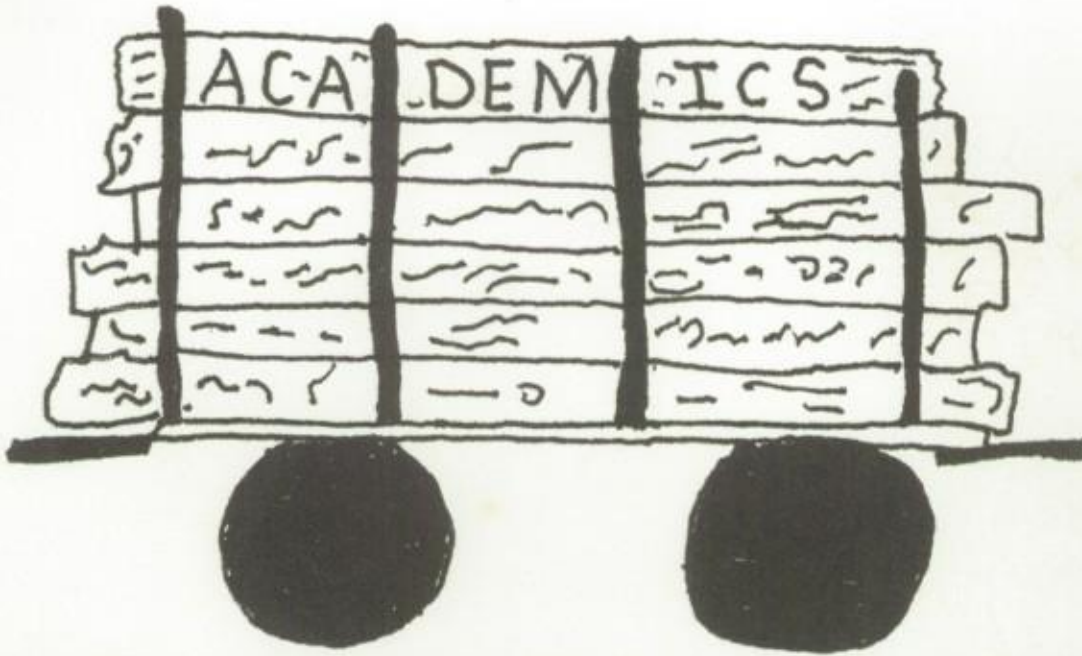

Vocational Education Week is a big part of AIASA's program of work. At the end of the year, the members will take trips to the National and State competitions. Many students in Virginia and the nation participate in these events.

Seniors are recognized for their work in the organization on Senior Class Day in May. This association puts forth much effort in being one of the finest organizations at Forest Glen.

Those students who attended the Advanced Studies Center found that school is more than fun and games. A bus ride can carry one to a college aimed environment in just twenty minutes. Mrs. King, who was responsible for transporting students to the center, enlightened the trip with laughter and fun. Amy Johnson, Dean Claud, and Elaine Perry are busy studying for that test that may at any time be popped upon them. Loretta Faulk and Sandra Parker listen attentively in Sociology. Alan Hines finds Trig class a bit of a challenge as he is shown here at the board. The Advanced Studies Center was indeed a challenge however those that attended will find that their experience will be a reward within itself when they graduate in June.

Amy Johnson is assisted her by Mrs. Woolwine in Trig class. Ricky Butler and Susan Copeland work independently in Physics class.

Hard at practice or hardly practicing?

The Junior Varsity Cheerleaders had a busy year. As well as cheering for a majority of Girls' Basketball games, they were responsible for providing spirit at all of the Boys' J.V. Basketball games. They also assisted the Varsity Cheer-

leaders in numerous sales projects. These new freshman and sophomore cheerleaders spent two afternoons a week practicing, and they've given us all a squad that we're proud of.

IT'S A CHEERLEADERS LIFE

Left to Right: Susan Johnson, Becky Simpson, Denise Claud, Susan Copeland, Lisa Lilly, Ruth Harrell, Tina Tomlin, Beth Holland, Wanda Smith

You need a strong back
You musn't be scared
To climb up on shoulders
And tumble from there

A toothy smile
With a cheerful disposition
Has elevated you
To this coveted position

You may not be a beauty
Or be pencil thin
But these aren't requirements
For your team to win

A major essential
Is that your voice be loud
But above all
You're expected to be proud

At times when you lose
And are riddled with strife
Don't be depressed
It's a cheerleader's life

SUMMER FUN!!

Summertime At Last!! When one thinks of summer many things come to mind. To some, summer is a time for swimming and vacation. To others, it is a time for heat and mosquitoes. As seen in these pictures all people have a different outlook on summer. Reginald Rodgers is just about to have a face to face experience with rough waters as he is shown here during his visit to Niagara Falls. Outside of the Hampton Coliseum, Alvonda Richardson, Sherry Hicks, and Sophia Jones await to see the Jacksons/Stacey Lattisaw Concert in July of 1981. Leigh Saunders and Carol Richardson enjoyed hiking in the Colorado Rockies in August of 1981. As everyone well knows the Fourth of July can't go by without being celebrated. Jim Harcum does a bit of celebrating himself as he is shown here at a "wild" party. Robin Totty and Kevin King take in the warm sunshine as they enjoy a day around the pool at Mrs. Copeland's house. Jeanette Hamlin and Susan Copeland await their departure from Girl's State at Longwood College. As one can see summer is an exciting time of the year for just about everyone.

THE RANGER FANS

Fans crowd the doors to show their

A Ranger Fan
 Must be dedicated without a doubt,
 Must have Ranger Spirit in your heart
 and throughout,
 Must be willing to share the blame
 For the wins and losses of the game,
 Must be able to be spotted in a crowd
 By their cheers so clear and loud,
 Must never give up the fight,
 'Cause we're gonna win some night,
 Must give the team members a pat on
 the back,
 When team spirit is what they really lack,
 Must know what to say at the right time
 and place,
 To let the people know that we've got
 good taste,
 Must not be arrogant, Must be nice and kind,
 'Cause fans like us are really hard to find.

A DAY ON THE FARM ...

HOMEcoming COURT: Sharon Jones — Sophomore Attendant, Connie Bradshaw — Senior Attendant, Wendy Edwards — Queen, Shari Darden — Maid of Honor, Erma Copeland — Junior Attendant, Dawn Lewis — Freshman Attendant

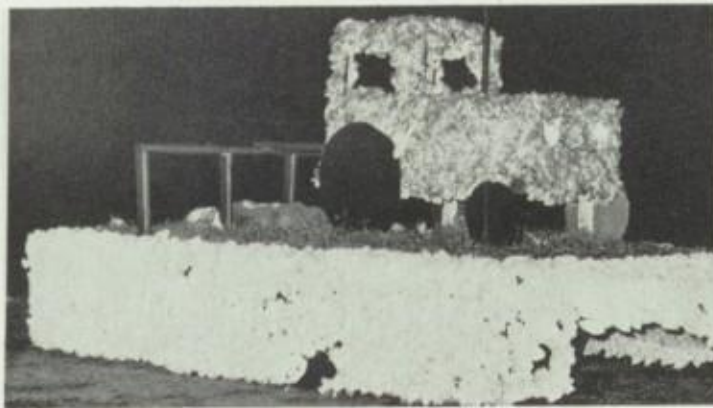

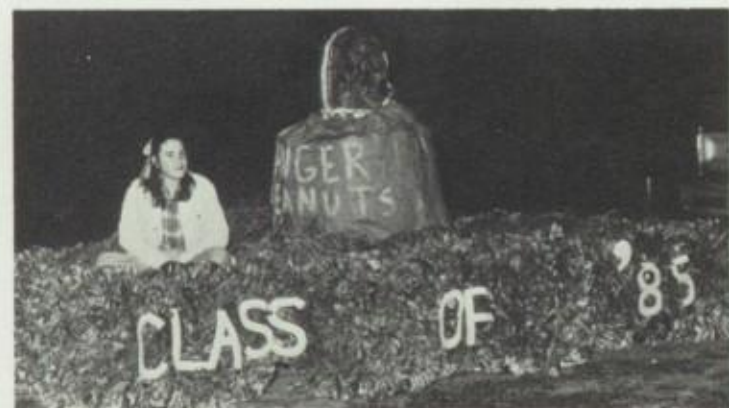

Forest Glen's 1981 Homecoming brought the country kids off of the homestead and into the school. The theme "A Day on the Farm" was chosen to go along with the theme of Suffolk's annual Harvest Festival. All of the Ranger's class floats were entered into the Harvest Festival Parade and the Senior's float "Pick the Packers" won first place in the float competition of that parade.

In addition to the building of floats, activities included a spirit link competition, a sign contest, and a class yelling competition. The junior class won the spirit link competition while the Seniors claimed the sign contest and the class yelling competition.

Dress-up days were held during the week of Homecoming. On Monday, everyone was asked to dress in western attire to kick off the week with flair. Tuesday was 50's day, Wednesday was T-shirt and jeans day, and Thursday was hat day. On Friday, all of the Rangers were asked to wear green and white to show their school spirit.

Forest Glen's salute to the country was a week enjoyed by all. We were very happy to show our pride in our school and community.

When you say superlative
 You always must compare (Just
 ask Miss Underwood)
 When you compare these seniors
 You see the titles that they bear.
 When the Rangers take the floor
 Or gather on the field
 You'll see that Lisa and Philip
 Are winners who never yield.
 To cheer on these mighty Rang-
 ers
 Is a task that's full of pride
 Susan and Ricky are always
 there
 Giving Ranger spirit from the
 side.
 There are few, they say, who do it
 all
 With flair, good sense, and style
 Jeanette and Ricky best fill that
 bill
 All around and by a mile.
 Ah, this life would be a bore
 Without laughter, mirth, and wit
 Just give a call to Daralyn and
 Steve
 And prepare your sides to split.
 We all get into mischief
 Sometimes trouble, sometimes
 fun
 Elaine and Patrick wrote the
 book

Look out, they've just begun.
 Our seniors leave to face the
 world
 They all have plans to succeed
 When you think of Wendy and
 Gary
 Success is indeed guaranteed.
 They say only death and taxes
 Are on which you can depend
 But give a job to Brenda and
 Dean
 They see it through until the end.
 In a world that often seems too
 cold
 Lacking smiles and a friendly
 face
 Just look for Cynthia and Alan
 They make our world a better
 place.
 To learn about this world of ours
 Is rarely a job of ease
 But knowing Cassaundra and
 Andy
 You see that study can be a
 breeze.
 When we say superlative
 Pardon us when we boast
 at FG here are our seniors
 The greatest, the best, the most.

GIVE *as if your* BLOOD *depends on*

The Red Cross Bloodmobile visited Forest Glen for the first time on November 20, 1981. Our school nurse, Mrs. Shirley Taylor, and the Senior Class Officers organized the visit. Sign-up sheets were posted in all Senior Homerooms and 64 students and staff members pledged to donate. The Peer Facilitators assisted the nurses and Red Cross Volunteers with their duties. Of the 64 people signed up, 54 were able to donate. The day proved successful and future Bloodmobiles are a very real possibility. The seniors of Forest Glen really showed where their hearts were, knowing that they may have just saved a life.

Robbie, Darryll, Mrs. Copeland, Mrs. Holland, Ricky and Linda show that giving blood wasn't as bad as they expected it to be.

THE SPIRIT OF THE SEASON ...

Mrs. Sherard's Door — 1st Place

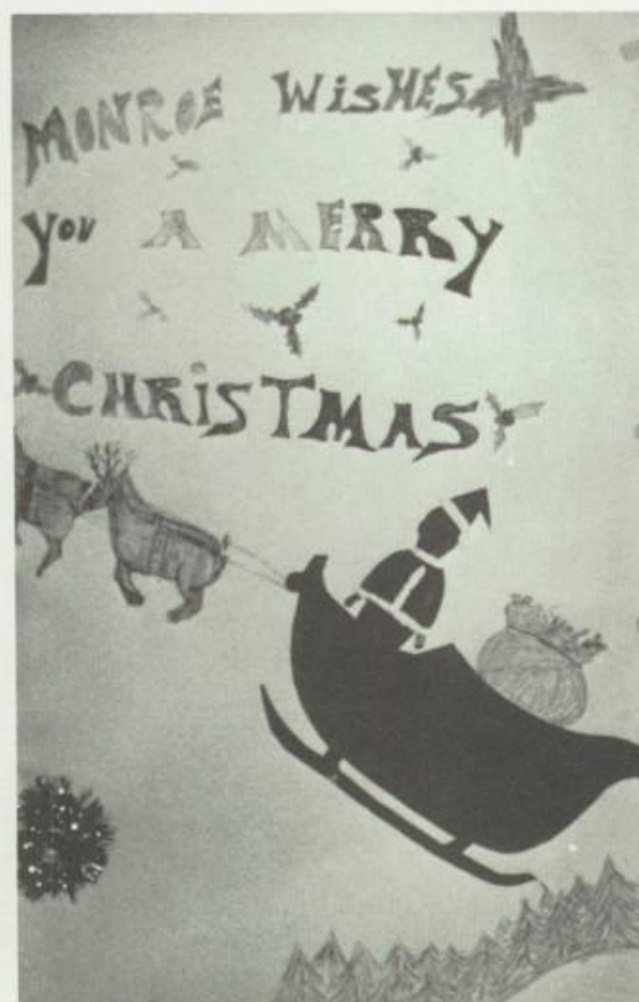

Mrs. Bailey's — "Not a creature was stirring" — 1st Place

Mr. Bunch's Door — 2nd Place

The Beta Club held a door decorating contest to promote the spirit of Christmas here at Forest Glen. The doors were decorated by first period classes. Mrs. Gaskin's class chose a popular cartoon cat "Garfield" as their theme. Another cartoon character, the "Smurf", was entered by Ms. Ikenberry's Latin students. Miss Nizer's door featured fresh greens and Mr. Bull's door gave the "Merry Christmas" message in Spanish. A scene from the first Christmas in America was depicted on Mr. Waldo's door.

The windows on Mrs. Copeland's door reveal a Christmas tree with ornaments carrying the names of her first period students. Mrs. Howdyshell's class wished everyone Christmas greetings from the elf. Mrs. Felton's door sent the school "dreaming of a white Christmas" and the dream came true. For the first time in many, many years, it snowed in Suffolk on Christmas day. Mrs. Rick's door displayed a traditional tree with a star on top and presents beneath. Another traditional (?) door was entered by Mr. Monroe's class. Santa Monroe was shown in a sleigh pulled by his reindeer. Mrs. Baker's class chose the more popular Santa as their entry. A hall bulletin board gave ideas for gifts to be given at Christmastime and all of the time.

The holiday season found the students and teachers in high spirits and high gear. The FHA gave a tea for the faculty and administration in the Home-Ec. room during the week before Christmas. The FBLA served a continental breakfast for them on the Friday that school let out for the holidays. At this morning get-together, the teachers sang carols to the piano accompaniment of Mrs. Howdyshell.

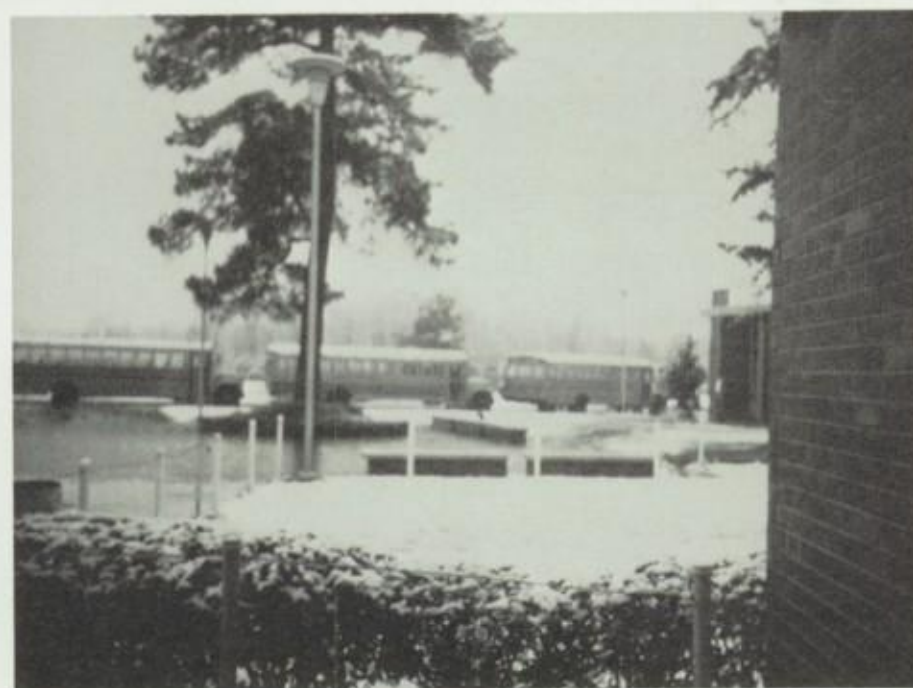

A Christmas dance was held at Forest Glen on Saturday night, December 11. The dance was sponsored by the Junior Beta Club and the SCA and Sir Jam was the disc jockey. The students in attendance enjoyed the music and the movement.

... TRAVELS THROUGH F.G.H.

Some band members and Madrigals visited the Autumn Care and Nansemond Convalescence Homes on the day after our Christmas concert and carried refreshments. Ricky Darden and Ken Rogerson enjoyed the visits with their elderly friends. The Christmas concert was a success as the Music Department played and sang to a full house.

On Friday December 17, the last day of school before the Christmas vacation began, it snowed ... and snowed ... and snowed! In fact, it snowed until the Suffolk School Board closed down the public schools. The high schools closed at 11:45 A.M. giving the students an early holiday.

TWELVE LONG YEARS

OF SCHOOL

Our Five Long Years

Our five long years of high school have come and gone

We, as seniors realize we must go on

It's time to put away our childish yearnings

And plan a good use for the things we've been learning

Although we'll be leaving, Forest Glen will stand tall

And always be here, a guiding light for all

As we all know, Forest Glen is a fine school

In planning our future, an Instrumental tool

We've found many friends here, and gone from day to day

We'll miss them when we leave to pursue our lonely way

What the future holds, we have no way to know

But God will be with us and decide where we will go

We have had fun here and had some problems too

We'll hold our heads up high, the Class of '82

—Sylvonnia Skeeter—

It all began in 1970. One hundred and forty or so mothers packed up their six-year-olds and watched them board the school bus for the first time. The children were given last minute instructions — "Eat a good lunch" or "Don't talk when the teacher is trying to talk." Everyone learned to say, "I hate school," whether they really did or not.

Twelve years later and mom still tells her daughter or son to eat well and be polite in class. Everybody still says, "I hate school," and few mean it. There's something missing though. The feeling of security enjoyed by the six-year-olds of twelve years ago is quickly diminishing. What little security that is held on to will be whisked away at graduation. Following graduation, self-reliance will be emphasized. This time mother watches as her child boards the train of life and becomes his or her own engineer.

Double Trouble

It's a proven fact that brothers and sisters have trouble living together. They love each other (for the most part) but sharing the same household poses quite a few problems. Just imagine having a brother or sister who looks a lot like you, has the same birthday, and that you're constantly compared with. Thus is the life of a twin.

Here at Forest Glen, we are blessed with five sets of twins. Two sets are twin boys, two sets are twin girls, and the fifth set is a boy and a girl. Dean and Denise Claud and Janine and Janice Hicks are seniors. Charlene and Darlene Duke and Robert and Wayne Martin are Freshmen. Our sophomore class twins are Morris and Norris Artis.

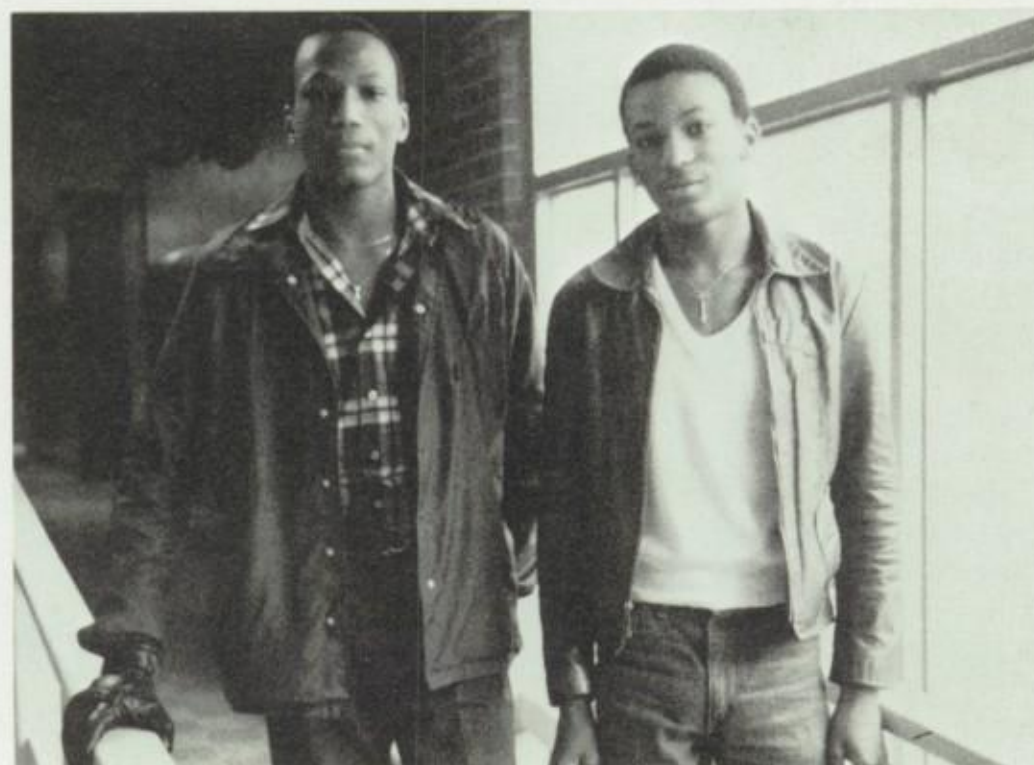

Each set looks alike to a certain extent. Janine and Janice are told apart only by a smile or spoken word though. More identical twins are rarely found.

Do twins think alike? That must go with the home atmosphere. Most of our twins agreed that they did have the same point of view on many topics. Morris and Norris were the only twins who said that they didn't think alike. With the exception of Robert and Wayne, they all said that they liked similar things and people also.

How about the home life? Do any of our twins share a bedroom with each other? Of our five pairs, only Janine and Janice and Morris and Norris share the same room at home. Our other six twins have a room to themselves. Oh, and do any of them dress alike? Some said that they do occasionally. Most of them have gotten away from this practice since their younger days though.

Now for our most interesting response from the twins. All of these brothers and sisters argue with each other a lot except Janine and Janice. Most brothers and sisters argue but most of the twins at Forest Glen maintain that they have more than their share of disagreements.

Exactly alike they aren't. They're almost like any other brothers and sisters. The difference is that for us, they're double trouble!

Please, don't let this feeling end.
It's everything I am, everything I want to be.
I can see what's mine now; finding out what's true,
Since I found you looking through the eyes of love.

Now I can take the time, I can see my life
As it comes up shining now.
Reaching out to touch you; I can feel so much
Since I found you looking through the eyes of love.

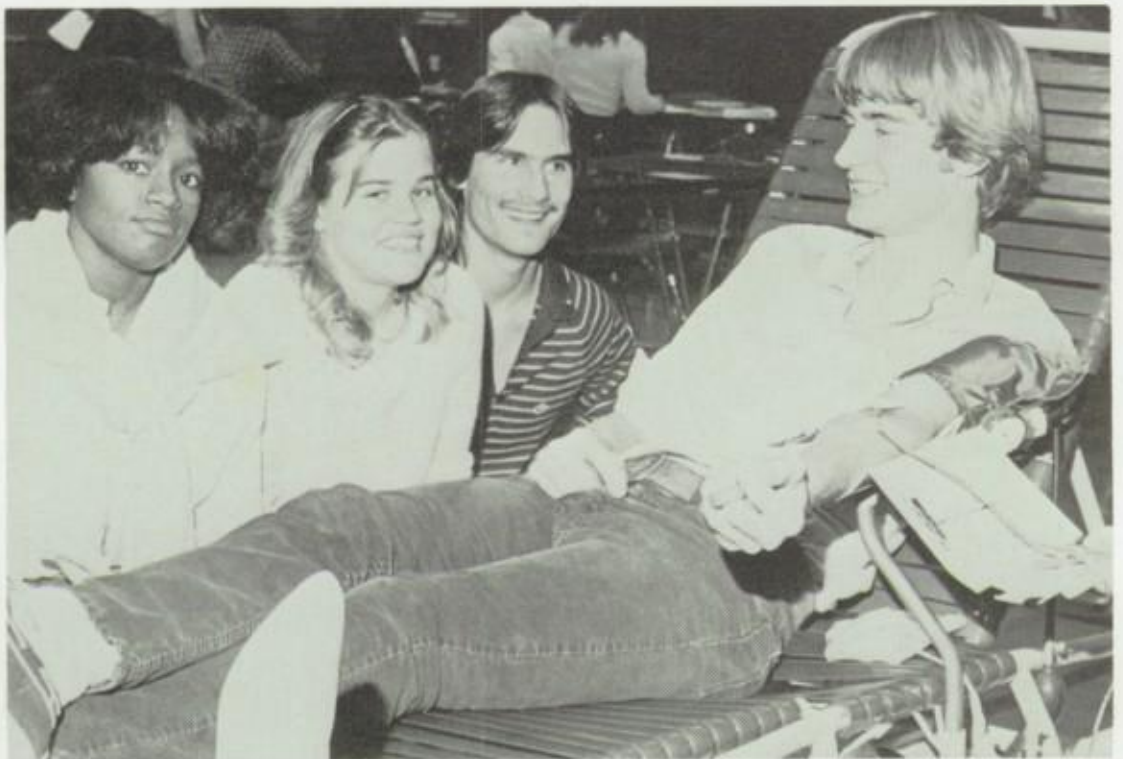

Please, don't let this feeling end.
It might not come again and I want to remember.
How it feels to touch you, how I feel so much,
Since I found you looking through the eyes of love.

Hearts of love and hearts of praise
Hold your standards high
We will strive to do our best
These standards to apply.

Forest Glen, Forest Glen
You we hold so true
We will serve thee faithfully
To show our love for you.

Memories of these precious years
Come oft to our minds
Times of laughter, times of tears
Within our hearts we find.

You we hold so true
Though years pass within our hearts
We'll have a place for you.

MIND BOGGLING PUZZLES

Rubic's Cube has become an instant sensation among students here at Forest Glen. Teachers also seem to have an obsession with this colorful cube. Several students, such as Ronnie Wyatt and Danita Hale, solve this puzzle so quickly that you wonder if they even have to see the cube to know what they're doing. Others buy the solution book and sit up all night reading it to see exactly what to do with the darn thing. Still others bring theirs to Mr. Bunch for him to do for them. These confusing puzzles have appeared in almost every shape and size imaginable; from key chains and key rings to the giant cubes and also in the shape of octagons, triangles, and diamonds. There are also puzzles called "The Magic Circle" and "The Missing Link". Just imagine the money that has been made from the sale of these puzzles and their solution books. Makes you wish that you had thought of it, doesn't it?

FEATURING ... A FLAG, FANCY,

A kiss on the hand may be quite continental but diamonds are a girl's best friend. A diamond on a hand can catch the eye of most anyone. Many girls here at Forest Glen can be seen with diamonds in many shapes and sizes. Whether a promise ring, a friendship ring, or an actual engagement ring, they all last forever in the girl's heart. The money that their boyfriends used to purchase these meaningful gems does not though. The smallest diamonds available at wholesale jewelers are priced in the vicinity of fifty dollars. Most cost even more. We wish the wearers and purchasers of these rings the very best of luck in love ... forever!

With the popularity of Southern Rock bands such as Molly Hatchett has come the popularity of the Confederate "Rebel" flag. This rock music promotes the idea that "The South's Gonna Rise Again" and the Rebel flag is a symbol of this uprising. There's little chance that the South will actually take over but the music of the southern rockers keeps a lot of people tuned to K-94. Many of Forest Glen's students are fans such as Bubba Babb, Greg Daye, and Gary Daughtrey. They're keeping the Rebel Flag flying for the Rangers.

FARM GIRL, AND FIRE DRILLS

Every year Nansemond Farm Bureau selects a young lady from our community to represent them and the city of Suffolk. This year the representative was a member of our Senior class, Miss Pamela Rountree. In December she went to the Omni Hotel in Norfolk for the state competition. She was required to say a speech entitled "What I Like About Farm Life" in front of a panel of judges and also be interviewed. She is pictured here with Joe Ward, president of the Nansemond Farm Bureau in the City of Suffolk.

Bomb threats and fire drills are popular here at Forest Glen, not only because they occur often but because for students it's a welcomed break from the classroom. At times a bomb threat occurs in rainy weather and students as well as teachers must take the chance of getting wet while the Fire Department checks the school for safety. At any rate, it's a welcome relief from school work for a while.

OUR WHEELS

10, 9, 8, 7, 3, 2, 1! This mistake was often seen on our old scoreboard. Of course having to tolerate this kind of mistake during a tight game was too much to handle. In the fall of this year the Coca Cola plant gave to the school two scoreboards, one for the gym and one for the football field. We would like to express our gratitude for this more than needed contribution to our school, since for several years the old scoreboards had not worked properly. Pictured here around the scoreboard are Mr. Bunch, Mr. Stogner, Mr. Robertson, and a representative from the Coca Cola plant. Mr. Bunch was very instrumental in helping to acquire the scoreboards and this was greatly appreciated.

Byron,

It almost seems unreal that we are almost sophomores. I can remember when we first started school. Byron, we have been through alot together. You are a very special guy to me and you will always be that way. It's hard to believe we have remained as close as we have through the years. We've done alot of fun things together. Byron, you are a very special, kind, handsome and thoughtful young man. I could never see you any other way. This year, I think we have if possible gotten closer. I regret that we dont have any classes together except homeroom, but maybe that will change next year. We have had alot of memories together Byron, and I hope we will have many more. Please stay the same as you are and never change.

Byron,

To a very crazy person ^{smile}
I have known for a long time.
Well Byron it is almost time to
get out of school but I know I will
be seeing you during the summer. You have
proven to be a very true friend. Whenever someone
needs a laugh they can always count on you.
We have really become good friends this year I guess
because we have 2 classes together. Byron you are a
determined young man and you look like the type of person
that knows what you want out of life. Byron I wish you all
the luck in success ~~you~~ in the world. Because you deserve it. ~~Don't~~
ever change, because ~~you~~ you will never be forgotten. I hope we
remain friends for a lifetime.

(Don't be no
one's fool.)

Byron,
 A fresh friend
 but nice one. We have
 been together ever since
 we were at Southwestern we
 have had fun and then again
 we haven't had fun. But the times
 we were together they were fun. So we
 will be out of this school term. And there
 will be no more school work or anything. But I
 hope when we do (I quote) you will achieve everything
 that you want out of life. And I hope to you all the success
 their possibility is. Good luck with the ladies.

Byron,

Although I just met you this year, I have truly enjoyed having a chance to talk with you. Not only are you a very nice young man but a very smart one at that. And no matter how modest you are if you use your brains and talents wisely you'll go far in life. Don't ever cut yourself short in life, if you have a dream go for it. I personally think you would be an excellent model. You have a certain poise and pride that back you up.

I wish you would go put in a new application at McDonalds, because frankly I see no reason what's ever that you should not get a job there. Look at me I made it didn't I? I did it mainly to keep sane.

Well there's not too much I can say now except carry on and use your personality, for with that you will do well in life. But one thing, if you keep using it on those ladies you're going to have a whole trail following behind you. Well guess I'll go, stay the same and let me remember you as a sweet, upstanding young man. Hope to see you next year and have a wonderful summer.

P.S. If I were a millionaire, I personally would send you to the finest

But since I'm not I can only hope you will strive for the best, who knows maybe you'll be president someday, or at least president of a big time corp, remember I believe in you!
